NOTICE OF FINAL AND ETERNAL RESTITUTION

I, Jonathan Daniel Clements, a Living Man, standing fully in my sovereign ecclesiastical capacity and under divine law, do hereby proclaim, declare, and affirm this NOTICE OF FINAL AND ETERNAL RESTITUTION with full authority, knowing, and spiritual intent. This document is issued under the Sovereign Ecclesiastical Private Trust which operates in absolute, irrevocable jurisdiction beyond all man-made legal constructs.

Under Divine Law and the eternal authority of the Sovereign Ecclesiastical Trust, I return to rightful standing all that has been taken unlawfully from the people of Earth, the children of creation, and the heirs of life. All debts, claims, and false contracts against humanity are hereby dissolved by rightful authority.

Let it be known, I have restored through this notice all divine rights, spiritual inheritances, land, water, air, and identity to every soul, living and departed, and all generations yet to come. All trespasses against life are accounted for and nullified. This restoration is eternal and cannot be rebutted by any false jurisdiction or artificial entity.

This Notice stands as final. Any challenge not made within divine truth and honor shall be seen as dishonor and permanent default. The Sovereign Ecclesiastical Trust shall enforce this restitution without vengeance, and with the highest love and grace for all of humanity.

With full heart and peace in my being, I declare this notice to be true, binding, and eternal. It is issued this day by my living hand and soul.

Signed under seal and sovereign authority,

Living Man: Jonathan Daniel Clements
